

MISSION STATEMENT

OUR PROFILE

We are a politically non aligned registered trade union operating mainly in the local government sector in South Africa.

OUR PURPOSE

To provide an outstanding professional service to our members to protect their interests, through committed and well motivated office bearers, shop stewards and staff, thereby creating long term membership growth, and be acknowledged as the most progressive and effective trade union in the local government sector.

OUR VALUES

We believe in selfless commitment to service to our members in all aspects of their employment. We recognise the dignity of the individual and have a total commitment to the development of office bearers, shop stewards, staff and members enabling them to realise their full potential in an environment of equal opportunity for all.

We believe in social transformation through sustainable local government.

OUR GOALS

To retain and increase our membership base by meeting the expectations and requirements of our members.

To create a stable work environment and encourage staff participation in the overall management of the union.

To encourage members to become actively involved in the structures of the union.

To communicate effectively throughout the structures of the union with members.

To pursue a policy of training which will enable our office bearers, shop stewards, staff and members to be more effective on their jobs, which will enhance their personal growth and create an effective and efficient local government service to the benefit of all in South Africa.

To be regarded as the foremost trade union in South Africa.

WORKING TOGETHER FOR YOU!
